MainStreetBanner.com

61" Wide • 9.6 Oz. Per Square Yard

This awning favorite now features a smoother surface for even greater good looks and resistance to dirt build-up. Main Street® is ideal for awnings and canopies because it won't stretch or leak. Its vivid colors won't fade even after years of exposure. Extremely versatile, Main Street is easy to fabricate without puckering or fraying.

FEATURES

- Smooth, acrylic coated surface keeps fabric clean
- Water repellent
- UV, mildew and abrasion resistant
- Exceptional dimensional stability
- Superior tensile and tear strength
- Heat sealable
- Readily accepts all types of graphics
- Also available in stripes (61" wide)
- Flame retardant to specifications of California State Fire Marshal, F-121.8; UL-214, Classified and NFPA-701
- 5 year limited warranty
- Put up on approximately 50 linear yard rolls

APPLICATIONS

- Awnings
- Canopies
- Banners
- Decorative Panels
- Recreational Luggage
- Duffel Bags
- Patio Furniture Covers
- Specialty Applications - Both Interior and Exterior
